"December 7, 1902."

The casket remained at the hotel until about 4 o'clock in the afternoon.

Mr. Littlefield expects to go to Portland to attend the funeral, and Representative Burleigh, who is there already, is expected to be present. The arrangements for the obsequies at Portland have been left in the hands of Hon. Joseph W. Symonds and John C. Small, an old neighbor of Mr. Reed.

As far as arranged here, the funeral will take place some time Tuesday afternoon from the First Parish Unitarian Church, of which the Rev. John Carroll Perkins is pastor. Interment will be at Evergreen Cemetery.

# Looolos Won Final Game---Racing Plans Shaping Up---Football Outlook Not Bright---Billiards.

## SEASON'S FINAL GAME TAKEN BY LOOLOOS.

### LOUCKS WAS A CHINESE PUZZLE TO THE CHAMPIONS.

Pretzel Schmidt's Offerings Were Banged Around for Thirteen Swats, But Support Was Good--Cristall Smashed a Sassy Fan's Face.

Los Angeles, 8, Oakland, 1.

Ordinarily people are compelled to pay extra money to see a fight in this city, and then it is generally advertised freely for some days in advance. When it is thrown in for nothing with a ball game, the sports have little to complain of.

This was the double bill presented at the Chutes grounds yesterday in the closing game of the season, and as an added attraction, Manager Morley pitched his new find, Loucks, from the Cotton State League, but more recently from Panama.

It goes without saying that if the Looolos had been in possession of this new one early in the season, the team would have won the pennant. He was the whole cause of the beating de champs received yesterday in their wind-up game, and from all indications, he will do for they made only one hit off him, and would not have made that if Householder had been playing his proper place in center field when it happened.

Aside from the star performance of Loucks, the other incident of the game was a free stunt of Cristall, the local right fielder. After he had muffed his second fly, the astonished spectators saw him suddenly run from his place in the field, dash into the right-field bleachers, skip up the seats like a monkey, and wave through the crowd like a snake. About this time, a young man sitting in the bleachers was also seen to be on the move, running as best he could from Cristall. The ball player caught him, however, near the bottom seats and, grabbing him around the neck with his left hand, punched him twice in the face with his right. Cristall then hopped over the fence into the ball field and resumed his place in the game. Dozens of people hissed him, but hundreds cheered him with pleasure.

Cristall was hit on the arm with a pitched ball in Friday's game, and it is still so sore that he cannot be sure of fly balls. A lot of hoodlums have been jollying him from the bleachers lately, and he stated several days ago that the next one who did the trick would have cause to remember it. After his second miff, it is said that some one threw a rock at him and called him a bad name. Accordingly, Cristall went and "got him."

The game itself was not much for the visitors, for they did not expect to win it on one lonely hit. Strange to say, however, they made three runs, but two of these resulted from errors, one of the errors of Cristall leading up to one of the runs.

On the other hand, the Looolos had the easiest kind of picnic with Pretzel Schmidt, and slammed him around the lot in almost every round. He is no good without Maw Lohman to catch him, and when he hooked up with Kline, he was nowhere. The locals practically hit him at will for three swats, and these were enough to win any game.

Wheeler made the first one in the third on his own single and Dillon's double. The second came in the sixth on Lawlor's hit and Hanlon's triple to the score board. The third was in the next inning on Tomana's fielder's choice. Wheeler's single, and Tomana's steal home, after Gorton's catch of Dillon's long fly to center field.

The Looolos clinched the game in the eighth inning by landing on Pretzel for three hard smashes, and these added to a soak in the back and a wild throw of Francka's netted three runs.

Cristall reached first on his knock to Streib, the ball going to the bleachers and Cristall to second. He reached third on Jackson's single, and scored on Schmidt's miff of a fake throw toward second to catch Anderson, who had been sent to the first station by a rock in the back. Then Loucks batted one to center field, scoring Jackson and Anderson.

It was a shame, too, for Schmidt is a nice young man and intends to pitch for the Brooklyn club next season. The score:

(BY THE ASSOCIATED PRESS--P.M.)

SAN FRANCISCO, Dec. 7.--Today's games closed the baseball season of 1902.

In the morning the Senators took a batting spree and hit Glendon so freely that he was replaced by A. Williams after the sixth inning.

The substitute was an easy mark, too, and the visitors had a very enjoyable time. Miller, a Grass Valley youth, pitched for the visitors. He seemed too light for his company.

The afternoon performance partook more of the nature of a farewell meeting of fans and players than a league contest. There were floral pieces aplenty, and every player got a kingly greeting. Everything was applauded, and misplays overlooked. Sacramento

won again without much trouble. The scores:

GAME NEXT SATURDAY.

Holt School and the Los Angeles High School will be the next contestants for football honors on the local gridiron.

A game between these two strong High School elevens has been definitely arranged for next Saturday. The Holt team is one of the strong-

est elevens put out from any preparatory school in the state, and the magnificent showing the local team made against the Belmont elevens gives assurance that the defenders of the blue and white will be able to give a good account of themselves in the coming battle.

Both teams are training hard for the tussle. The teams are about evenly matched in weight, although in this respect, Holt will probably have a slight advantage.

NEWS REPORTS FROM TIMES CORRESPONDENTS.

## MYSTERY THICKENS IN ROBBERY CASE.

VICTIM REFUSES TO PROSECUTE CONFESSIONED THIEF.

Old Winemaker Kaus Thought to be Aired of Revelations Which Trial of Winnie Bartlett Would Entail—Several Hundred Dollars Still Missing.

SAN BERNARDINO, Dec. 7.—Although Winnie Bartlett has confessed that he robbed John Kaus, the aged German owner of a little winery here, Mr. Kaus will have charge of the case at the Santa Fe station. The old man says he does not wish to injure the reputation of his winery by having its affairs aired in court, and at times he asserts his belief that Bartlett is innocent of the charge.

The Sheriff found Bartlett last night in a saloon near the Santa Fe station. He had but little money in his possession, and his head had several big bumps on it where Kaus had struck him with a pitcher or beer bottle. Bartlett has confessed that he took the money from the sugar bowl at Kaus's place, and then sent the old man for some wine, while he robbed the cash drawer. The bag of gold which was lost, he claims to have picked up from the floor, after he had a tussle with Kaus. After the confession Kaus refused to swear out a complaint, and if he and his son refuse to testify in the case it will be a difficult matter to secure a conviction.

The strange attitude taken by Kaus in the matter leads to the belief that he is afraid for some reason or other to prosecute Bartlett for robbing him of his money. It is not known what Bartlett did with the money, which amounted to several hundred dollars.

SAN BERNARDINO BRITANNICS. It is believed that the Hudsons, who disappeared from the city a couple of weeks ago, leaving behind several bills and some unpaid bills, have been shipped to Mexico. The store was attached by local creditors, and in the past few days, it has developed that they owe big bills to wholesale millers in San Francisco.

REDLANDS. AMATEUR MINSTRELS WIN.

REDLANDS, Dec. 7.—The Elks' minstrel entertainments of the past two evenings, given by the amateur performers, were very successful. The performance given by the amateurs was good and the attendance large. The expense of fitting up the Armory and procuring costumes was large, but the net proceeds are over \$500, which will go toward fitting up the new quarters of the Elks in the new postoffice building.

NEW POSTOFFICE DELAYED. A small army of men is rushing work on the new postoffice along with all possible speed. The probabilities are now that it will not be completed and ready for occupancy by January 2, 1925, when the old building lease expires. However, the owner of the old structure has consented to extend the lease a little while longer. The great delay will probably be in letting the concrete doors and the walls dry. The new building will be a model in its arrangements and appearance.

AT THE CHURCHES. At the First United Presbyterian Church this forenoon, Miss Margaret Smith, a returned missionary from Cairo, Egypt, delivered an interesting address.

This evening at the First Christian Church an excellent program was given under the auspices of the Christian Women's Board of Missions. Sixty new members, which have lately been received into the church, participated in the service.

RIVERSIDE. NIGHT FIRE DROWNED OUT. RIVERSIDE, Dec. 7.—Shortly before 11 o'clock last night an alarm called both fire companies to Eighth and Mulberry streets, where flames were pouring out of the rear of the Riverside Foundry and Machine Company's big works, threatening to destroy the entire structure. Soon two streams of water were brought to play on the flames, on easy task owing to the obscure location of the fire, and the flames were being controlled before the front portion of the establishment had been damaged. The fire is believed to have started from some smoldering ashes in the molding room. The damage will amount to several hundred dollars at least, some valuable patterns being destroyed, and much of the machinery damaged by the flames.

DEATH OF MISS FILKINS. Mrs. C. W. Filkins died here yesterday afternoon after an illness extending over a period of some weeks. She had been a resident of Riverside for more than twenty years, and was prominent in the social and literary and art circles of the city. She was the wife of a well-known Riverside business man and was one of the founders of the Riverside Women's Club. She was a member of the Riverside Methodist church and was a devoted worker in the Y.M.C.A. during the past year, under the title of "An Autumnal Review."

Rev. Benjamin S. Hargrave, evangelist, addressed the Y.M.C.A. meeting this afternoon. The case of the people against Joe Brazil and David Henderson, who are charged with conspiracy to murder H. B. Woodward, superintendent of the Red Top mine on the desert, has been set for a hearing in Justice Stephenson's court a week from Tuesday. The defendants are out on bail of \$500 each. At the Methodist church this evening, Rev. Benjamin S. Hargrave gave a resume of the work of the church during the past year, under the title of "An Autumnal Review."

SANTA ANA, Dec. 7.—At a special meeting of the Democratic County Central committee yesterday afternoon, the committee unanimously decided to have nothing to do with the suit of C. B. McDowell to oust Z. B. West, county clerk, from the office of county clerk. West is charged with having expended more than the \$300 the law permits in his campaign.

The Elks Society has organized classes in history, sacred literature and California history and landmarks. Mrs. J. H. Hargrave is a guest at the home of her uncle, Nathan W. Tate.

Dred Jones, colored, died suddenly yesterday in the Magnolia saloon, where he was seated with a violent hemorrhage. He was married, had a wife and a widow and several small children.

## FORTY-SEVEN YEARS AGO.

A T A MEETING of railway passenger agents in Portland, Or., a few weeks since, F. I. Whitney, general passenger agent for the Great Northern Railway, described in the address the wonderful expansion of the West. Starting with 1855, the speaker showed that at that time there were 18,000 miles of railroads in the United States, against the 200,000 miles in operation today. The Middle Atlantic States, which were then in the midst of a large steel and wire works, had 5,000 miles, or one-half of what Texas now has. Iowa was proud of sixty-whip miles—today it has over 9,000. Minnesota did not have a mile of track in 1855, nor was any built until seven years later; today there are 10,000 miles. Since 1855 the freight tonnage has increased 530 per cent, the population of the country 145 per cent.

In 1855 there were 4000 Indians in the West. Today there are 100,000. The young of the West are demanding their overdue annuities and provisions, while Gen. Harney, out in the arid, with an Indian war on his hands, is being called to the aid of the United States. **BARRY JOHNSTONE DEAD.**  
Kate Hassett's Murderer Succumbs to the Effects of the Bullet Wounds Which he Inflicted Upon Himself.

(BY THE ASSOCIATED PRESS—P.M.)  
PHILADELPHIA, Dec. 7.—After lingering for nearly a week, Barry Johnstone, the actor who, last Monday, shot himself, after killing Kate Hassett, a member of Keith's Bijou Theater Stock Company, died today at the Hahnemann Hospital. Death resulted from peritonitis. At Johnstone's bedside when he died were his two sisters and two brothers, his mother having returned to her home in Syracuse, N. Y., yesterday. The actor's body was sent to Syracuse this afternoon for burial.

Kate Hassett's murder and Johnstone's suicide were the result of the man's insane jealousy. Miss Hassett in private life was the wife of Everett Beckwith, a business man of Chicago. Her parents, Mr. and Mrs. M. Hassett, reside in Aurora, Ill. A year ago she and Johnstone first met, when both were members of the Miss Modjeska theatrical company. This season Johnstone was for a time with Richard Mansfield's company. Miss Hassett accepted an engagement with the Keith Stock Company, and this week would have become the leading woman.

Johnstone was a frequent visitor to this city for a week previous to the tragedy. Last Monday night he effected an entrance to Miss Hassett's room, while she was at the theater. He was discovered by other boarders, who warned the actress. Johnstone joined her on the street, and after they had walked a short distance, he shot and killed her. He then turned the weapon upon himself, firing two bullets into his breast.

# HEAD-ON COLLISION ON THE SANTA FE.

WATER TRAIN AND A SPECIAL FREIGHT COME TOGETHER.

Three Locomotives Piled Up in a Heap and Badly Wrecked—Engineer Peterson Killed—Engineer Pierce Injured—Traffic Blocked Twelve Hours.

A head-on collision between a water train and a special freight, on the Santa Fe, resulted in the loss of one life, and blocked traffic for twelve hours yesterday.

The disaster occurred near Peach Springs, Ariz., about half an hour after midnight. The freight train was drawn by two engines; the water train by one. The impact of the collision was so strong that the three locomotives were piled up in a heap.

Engineer C. Peterson, the driver of one of the engines, was caught under the wreck and killed. Engineer Pierce was scratched about the face and was also scalped, but his injuries were reported not serious. The third engineer, the fireman, and all of the other trainmen, escaped unhurt.

Outside of the wrecked engines, a torn-up track and delay of traffic, the loss of the company's special freight, which was supposed to have reached before 1 o'clock Sunday afternoon, and some of the overland trainmen will, therefore, be about twelve hours late in reaching their destinations.

At the office of the company in this city no particulars other than those above mentioned could be obtained last night. The officials stated that responsibility for the accident had not yet been ascertained, but the collision was supposed to have resulted from a misunderstanding of orders either on the part of the crew of the water train, or of the special freight.

Peterson, the dead engineer, is said to have had his home in Wyoming.

**SAN DIEGO COUNTY.**  
CLASH IN ELECTION CONTEST.

SPECIAL CORRESPONDENCE OF THE TRIBUNE.  
SAN DIEGO, Dec. 7.—The recount of votes in the McDonald-Carter election case was continued yesterday afternoon by an encounter between counsel with reference to R. H. Young, secretary of the County Anti-Saloon League.

Young has been present during most of the recount. In McDonald's case, plaintiff Young was charged with being in conspiracy with Carter to secure the defeat of McDonald in the circulation of letters derogatory to the character of the contestant.

Yesterday afternoon McDonald seized upon the opportunity to assert his rights. Politely at Young's, and looking at Carter, he said, in a loud voice, "Mr. Carter, is that man an assistant of yours?"

"No," said Judge Boone, of counsel for Carter, before Carter had time to speak.

"Then," said McDonald, "I demand that he be expelled from the court and retired. But it was not long before he was edging up to the table again. Again McDonald put the question to Carter, as to whether Young was his assistant. This time Carter got around to make his own response, and for a time there was a lively exchange of compliments across the table. Judge Conrey called a halt and the episode ended by the bailiff leading the secretary of the Anti-Saloon League beyond the rail which indicates the enclosure reserved to the attorneys and their clients.

**SAN DIEGO BREVITIES.**

Mel W. S. Rowland, a real estate agent, dropped dead last evening. He was driving into the yard of a client's house when he was stricken with apoplexy, pitching forward to the ground and expiring instantly. He was a Confederate veteran. A widow survives him.

A joint meeting of Woodbine and Dunton temples was held last evening to receive the Grand Chief of the Bathing Sisters, Mrs. Ella S. Pringle of Santa Cruz, Cal. Pringle will remain in the city till Wednesday.

At yesterday's meeting of the Farmers' Club a resolution was passed endorsing the reappointment of George F. Hall for horticultural commissioner.
